JEWELRY DESIGN / ARTS / ORGANIZING

Pauline Galiana (Suite 202-6)
Visual artist
paulinegaliana@gmail.com

- painting/collage/photo: www.paulinegaliana.com
 - I practice in a multi-disciplinary manner across diverse media and social inputs and focus on actively engaging the viewer in a visual conversation. The concept of poetic narration through visual media runs through my work, as does a reflection on the sources of, and how one recycles, creative energy. I use literal leftovers from different stages of my own work -- ideas, forms, emotions or material. Color drives my instinctive state of mind: hue, shade, tone, pigment, stain, wash, all bring vividness and an inspirational excitement.
