Joy Davidman is known, if she is known at all, as the wife of C. S. Lewis. Their marriage was immortalized in the film *Shadowlands* and Lewis's memoir, *A Grief Observed*. Now, through years of research and interviews, and through extraordinary new documents, Joy Davidman Gresham Lewis is brought to the page in the fullness and depth she deserves.

"[An] impressive debut biography...Santamaria has fashioned a compelling narrative, remaining cleareyed about her subject's many personal failings." —*Kirkus*

"*Joy* is compelling even for the Lewis-indifferent, like me. In Santamaria's clear, unsentimental telling...reminded how love can befall us all, I felt better about life."
—Mark Oppenheimer, *The New York Times Book Review*
