

Master Apartments Website Banner Contest: Submit Your Entry by May 24

The new MasterApts.com web site just celebrated its first anniversary! We'd like to feature more art work by the talented residents of the Master, so we're holding a contest to replace the current Website Banner (below).

Submissions should highlight the unique qualities of the Master Apartments, its residents and our neighborhood. All types of media are welcomed: Photograph, drawing, painting, collage or other.

Please send your entry to 310RSDPhoto@gmail.com. Entries are due by May 24. Residents will be asked to vote for their favorite and a winner will be announced on June 28.

Feel free to email me with any questions.

Thanks,

Heath Hurwitz
Photo Editor, MasterApts.com
310RSDPhoto@gmail.com

Banner art may be submitted as digital file, or in any medium as long as it can be converted into a digital image for the web. For non-digital formats, please leave hard copy original or proof in an envelope at the front desk, addressed to Heath Hurwitz, with return address information.

Art should be horizontal in orientation. The display format is roughly 4.7 x 1 (940 x 198 pixels). Art in other sizes will be digitally cropped to fit this format.

You must be a resident of Master Apartments to enter. Submissions are limited to one per resident. By entering, you certify that your work is original and that you own the copyright.

Entries are due by May 24. Submissions will be showcased on the web site and residents will be asked to vote for their favorite by June 21. The winner will be announced and posted to the site on June 28. Contest may be cancelled if a minimum number of entries is not received.
